

Junior Club Nights

Club nights on a Monday have been very well attended throughout the year. The coaches have created enjoyable sessions to enable the children of all ages to greatly improve their skills. Cameron has been a great asset, keen to have his volunteering recognised both with gaining a Saltire Award and his Duke of Edinburgh Bronze. Cameron along with Rory , Alex and Blair are helping out regularly this season and hope to gain Level 1 LTA coaching awards at some point.

We held a club championship with the largest entry number for quite a while , a reflection on our healthy numbers in Juniors. Close ~~matches~~ exciting matches were played. The Central league u12 team did very well against some stiff opposition this year as did our u16's Well done to all participants.

We ran a family doubles tournament at the club this year. A lovely sunny day saw 15 family pairings child and adult split into two age groups of children. We hope to run a similar event this year. Some children also participated in some events run by local clubs.

Children attended some Easter holiday coaching led by Josh and Craig and we hope to again offer some extra coaching this summer holiday.

The Presentation Ceilidh saw our juniors help with the raffle tickets and the prize distribution which raised welcome club funds. They were a great asset to the evening.

A Halloween trip to Innoflate Livingston solved the problem of cold unpredictable weather for our usual social event at this time. It was well attended by a mix of ages.

I'd just like to say a big thank you to all our coaches Josh , George , Craig and the all the volunteers who help our juniors to improve their skills on the court for your input and commitment.

All the best for season 2022-2223.
